

# Linus Sharp

BILINGUAL & DUAL NATIONAL (ENGLISH / FRENCH)

**Nottingham, UK | [www.linus-sharp.co.uk](http://www.linus-sharp.co.uk) | [linuscolesharp@gmail.com](mailto:linuscolesharp@gmail.com)**

## Objective

---

A highly motivated and bilingual (English/French) Computer Science student at the University of Nottingham, seeking a challenging role in project management, software engineering, or data science. Equipped with strong leadership, client management, and technical skills in Python, JavaScript, React, and AWS, I aim to leverage my experience in leading cross-functional teams, freelance web development, and solving complex technical challenges to contribute to innovative and dynamic projects.

## Technical Skills

---

- Python
- C, C#, C++
- React
- Figma
- Next.js
- JavaScript
- Flutter
- SQL
- AWS

## Experience

---

### Website Designer | Resilient Health

Jul 2024

- Designed professional, user-friendly interface prototypes using Figma, transforming client concepts into functional, visually appealing designs.
- Effectively managed client communication through regular check-ins, ensuring clear alignment with client requirements and expectations.
- Enhanced client management skills by incorporating feedback into design iterations and providing tailored solutions.
- Delivered a WordPress-based website featuring responsive design and integrated blog functionality, balancing aesthetics and usability.
- Successfully completed the project within tight deadlines, gaining valuable freelance experience in web design and development.

### Team Leader | UNiDAYS x University of Nottingham

Oct 2023 – Jul 2024

- Led a cross-functional team to successfully complete the UNiDAYS reverse CAPTCHA project, delivering an innovative and engaging solution.
- Acted as the primary liaison between the client (UNiDAYS) and the team, ensuring all client requirements were understood and exceeded.
- Organized and facilitated regular team meetings to monitor progress, resolve challenges, and maintain clear communication with all stakeholders.
- Motivated and supported team members, fostering a collaborative environment that encouraged creativity and teamwork.
- Ensured project milestones were met through strong leadership, resulting in a final product that was both technically sound and creatively distinctive.

## Education

---

### University of Nottingham, BSc Computer Science

2022-2025

- Year 1: 78%
- Year 2: 67%

### Lycee St Jean, France | Collingham College, London

2018-2022

- **A level** - A\* in Computer Science
- **French Baccalaureat:** 13.5/20 (AAB) specializing in Maths, Physics, Chemistry, & Further Maths

## Skills & abilities

---

- Leadership
- Requirement gathering
- Fluent in English & French
- Management
- Communication
- Advanced Spanish

## Additional Work Experience

---

Gained hands-on experience working as a barista in three different locations, beginning with comprehensive training at Le Pain Quotidien in London. Quickly mastered coffee-making techniques and latte art, and within a week, was entrusted with opening and closing the shop, as well as managing stock for pastries and displays. These skills proved invaluable in subsequent roles at other coffee shops, where I adapted seamlessly to new environments, despite gaps between positions, while maintaining my high level of proficiency.

### Vault Cafe, Nottingham

Jul 2024 - Present

### Fox Cafe, Nottingham

Jun 2023 - Oct 2023

### Le Pain Quotidien, London

Jan 2022 - Aug 2022

## Extra Curricular Activities

---

### Bouldering

2023-Present

Engaged in bouldering, a sport that challenges both the body and the mind. It requires not only physical strength but also problem-solving skills to determine the best route to the top. This activity has allowed me to combine my passion for physical challenges with my love for solving complex puzzles.

### Weight Lifting

2021-Present

Committed to weight lifting, which requires discipline, perseverance, and a deep understanding of the body. Overcoming challenges like injuries and maintaining a consistent diet has tested my determination and resilience. This experience has taught me the value of patience and hard work in achieving long-term fitness goals.

### School Prefect

2019-2021

Elected as prefect by my peers, serving as a liaison between students and staff. I regularly addressed student concerns, relaying them to the appropriate staff members, and actively participated in class meetings. My role involved summarizing key points and reporting back to my classmates, helping with communication, and resolving issues within the school community.
